

Managed Notebooks

combines management, information and repair services into one service. It relieves the service desk and the internal servicedesk of resellers.

Managed Notebooks

is available for new HP Notebooks (including Special Selection), existing (young) HP Notebooks and Approved Selection (pre-used).

The term is flexible, from 12 to 36 months

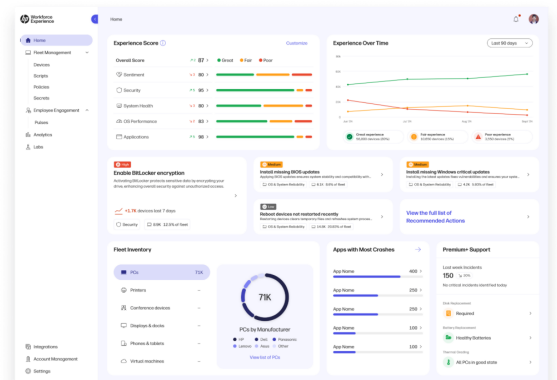

2 service levels

Basic: active monitoring, alerts and reporting

Plus: Basic + repair in case of malfunction (including temporary replacement device)

Managed Notebooks integrates HP Workforce Experience into the solution. Monitor, predict and prevent.

Leasyprint is an Amplify Synergy Partner. This provides our customers and resellers with direct benefits. With this status, Leasyprint can offer special products. At Leasyprint, you are assured of the best prices.

In addition, Leasyprint has been appointed as an HP Master Dealer and is therefore authorized to support other HP Resellers with the purchasing benefits.
